

Cedar Class's Weekly News

This Week...the children visited Barton Grange garden centre as a Christmas treat. They enjoyed looking at the lights and beautiful decorations. We also enjoyed a delicious cookie treat in the cafe! We carried out further work on 'one more than' activities in Numeracy. They worked on building CVC words in phonics as well as exploring letters in playdough. We began making salt dough Christmas decorations for our Christmas fair. We practiced our dance and songs for our Christmas production in singing assembly. We talked about being a good friend in PSHE. We continued work on 'We're going on a bear hunt', re-telling the story using toys on the sensory tuff tray. We also explored mud, water and wind using a fan and matched appropriate adjectives from the story to describe these! We have also had a great time celebrating St Andrews day. We did some yummy Scottish food tasting, we made shortbread, we made our own tartan patterns and made Scottish flags too. We loved the Scottish dancing and highland games. Some of us were fantastic at tossing the Caber!! Hendrix especially enjoyed the music and danced away by himself every time it came on! We loved exploring porridge oats in the tuff tray too.

Next Week...

We will be going out on Friday morning to do a spot of Christmas shopping, a letter will be coming home tonight showing more details.

Reminders

Weekend News folders:

Thank you to those who complete these and especially those who go to the effort to provide photographs.

They are GREAT! If you want to email photographs or videos please feel free to do so. Send them to

dwilliams@acorns.lancs.sch.uk

Thankyou

And Finally...

Christmas is fast approaching! If you would like to listen to Cedar class's song in the production you can listen on you tube if you just search 'Lights, Camel, Action! School Nativity We Must Travel Home Choreography by Out of the Ark Music'. However that will not be the dance as we have created a simpler version.

Cedar pupils will be 'Villagers' in the production so any waistcoats, shirts, flat caps etc would be most welcome for your children to dress up in.

Have a lovely weekend!

Here we are enjoying some of the activities this week!
