

# Oak Class Weekly News

W/B 8<sup>th</sup> October 2018

## This Week

We had a great time on our trip to the Imperial War Museum North on Tuesday. We really enjoyed looking at the artwork called 'Wave' which was made up of poppies. The children asked lots of questions and we talked about the significance of the poppies. We also had a look around the museum and found out information about war and peace. It was a lovely day, so we managed to eat our packed lunches outside and we did some fantastic sketching of the docks.

Some pupils had their reviews this week. We are really proud of the children's achievements and it is great to see parents and carers to look at the way forward. Well done Sophie, Finlay and Daniel! The other reviews will happen over the next few weeks - please check the paperwork sent home for dates and times.

We have been doing lots of role-plays - in history we acted as King James I and parliament and had a guided debate. We also did some shopping role-plays with customers who were either very quiet, angry, too polite or rude. The children loved this and demonstrated the different emotions well! Summer did some great acting and enjoyed being a really polite customer.

## Next Week

**Harvest Assembly is at 2.15pm on Friday 19<sup>th</sup> October** - parents/carers are welcome. If you could send in any non-perishable items for harvest next week, we would be most grateful.

We have been working on team games in PE, and we will have our final rounder's game next week. It will be Red Team vs Blue Team. Look out for the results...

## Reminders

We break up for half-term on Friday 19<sup>th</sup> October at 3.15pm.  
School starts again on Monday 29<sup>th</sup> October at the normal time.

We have really enjoyed our outdoor learning this half-term.  
If you have not already done so, please send in some wellies labelled with your child's name. Thank you.

## And finally...

Some great homework about signs of autumn. Daniel thought of lots of different signs - even down to the different things being sold in the shops.

This weekend you may wish to spend some time talking about what the children have been doing in the outdoor learning area, and perhaps draw a picture and label it.

Have a good weekend!
